### Historic Relic of Taipei City: 《Japanese Army Hospital》

- This relic was signing up by the city government at September 1<sup>st</sup> 1998.
- 1. This military sanatorium was built by Japanese and also used the hot spring to treat the patients. It was causing a great influence of local industrial development.
- 2. It is an outstanding Japanese structure especially with the design of entrance and that front and back aisle.
- 3. It is been well preserved as an old age building.

#### Opening Hour:

Mon to Fri : 13:30~16:30

Saturday:(Reservation for 10people minimum and two weeks ahead is needed)

Reservation Number:+886-02-2895-9808#603101

#### ➤ Origin

1. In 1895, major general Hidematsu Tsunoda (つのだ ひでまつ) of Japanese was trying to find a perfect spot to accommodate the injury soldiers, so he asked two men Sapporo Kabayama (かばやま すけのり) and Fuji Tsugu Akira (ふじた つぐあきら) to build a hospital. When they arrived Beitou, Fuji Tsugu Akira (ふじた つぐあきら) decided to build a hospital here and used the hot spring to cure the disease for patient.
2. In 1896, fuji Tsugu Akira (ふじた つぐあきら) took over and became to be the chief officer of military medical in Taiwan. Because of him, the Japanese Army Hospital Beitou Branch was finally established at 1898.
3. Japanese Army Hospital Beitou Branch was a lot bigger before. Part of it has been tore down into Beitou Yixian elementary school and Xinmin junior high school. Today, the only building is stiil left as Tri-Service General Hospital Beitou Branch.

### White Sulfur Spring Foot Bath

Hot Spring in hospital Beitou branch is from upstream Liouhuang Valley. The spring water absorb the gas from the volcano and the Terrestrial heat. It distributes at west side of Yangjin Highway and Liouhuang Valley. The spring water has a little bit sulfur smell, PH value is 4~5 with temperature is around 45℃, is undrinkable.

Opening Hour : 365 days a year 8:00~18:00

#### Warning

1. People suffering from chronic disease such as heart disease, high blood pressure should not enter the bath.
2. It is inadvisable to enter the bath when intoxicated, with an empty stomach, or after a filling meal.
3. It is inadvisable to be immersed in the hot spring for more than 15 minutes at a time.
